

To My Dear and Loyal Patients,

After more than 41 years as a dentist and 35 years of practicing dentistry in our wonderful community, the time has come for me to retire. I have had the privilege to work for so many wonderful and interesting people. Many friends were made, both personal and professional, who have greatly enriched my life. I will be transferring ownership of the practice effective August 13th, 2021. I want to assure you that you will continue to receive the same quality dental care which you have come to expect from me.

After making the decision to retire, my primary concern was to locate a skilled and dedicated dentist with whom I would entrust your present and future dental care. I am very pleased to say that I have located that person in Dr. Aaron Roberts. Dr. Roberts obtained his undergraduate degree in Mechanical Engineering from the U.S. Naval Academy and served as a Navy pilot flying Seahawk helicopters and turboprop training planes for 9 years. After leaving the Navy, Dr. Roberts attended dental school at the University of North Carolina and graduated with honors in 2010. He has been practicing dentistry in Chapel Hill since that time. He and his wife are native North Carolinians and have two teenage daughters who enjoy swimming and golfing.

I wish I could express how fortunate I feel to have found a dentist such as Dr. Roberts to assume the daily responsibilities of my practice. Dr. Roberts is very personable and is excited to meet each and every one of you. His training, enthusiasm, experience, and background make his treatment philosophy and everyday treatment procedures compatible with my own. I believe his experience, compassion, and integrity will ensure your dental health remains the number one priority.

The new name of the practice will be "Tall Pines Dentistry," the staff, telephone numbers, and location of the practice will stay the same. It is my sincere wish that all of you will stay with the practice and continue your dental treatment here in this office. Thank you again for your years of dedication to me and my practice. Dr. Roberts looks forward to earning the same level of trust and appreciation you have shown me for over thirty years. Best wishes and kindest regards.

Sincerely Yours,

Daniel Turnbull, DDS
